

Ph.D. Admissions at IIIT-Delhi under AICTE Doctoral Fellowship (ADF) Scheme 2022-23

**Computer Science and Engineering (CSE),
Electronics and Communications Engineering (ECE), and
Computational Biology**

Wednesday, September 14th, 2022: Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) invites applications from prospective and qualified candidates for admission to the Ph.D. programmes in computer science and engineering (CSE), electronics and communications engineering (ECE), and computational biology (CB) through the AICTE Doctoral Fellowship (ADF) Scheme 2022–23.

The scheme is started by AICTE to promote research culture in AICTE approved Institutions, to promote collaborative research between Institute and Industries leading to start-ups, and to nurture talents for technical research.

Under the scheme a fellowship of Rs. **31,000/- pm** for the first two years followed by **Rs. 35,000/- pm** for the third year will be provided to the scholar. **HRA** will also be provided as per the Government of India (GOI) norms as applicable in the city/ location where the Research Fellow is pursuing their research. In addition, Contingency Grant will be admissible to the scholars at the rate of Rs. 15,000/- per annum to meet the miscellaneous expenditures. **Additional financial support by IIIT-Delhi will also be provided for purchasing laptop, salary top-up, Overseas Research Fellowships (ORF), travel for research etc.**

To be eligible to apply, a candidate must have secured the minimum percentage of educational qualification prescribed for eligibility as in Under Graduate and Post Graduate be **70%** (69.5 % and above) for General/OBC candidates, whereas for SC/ST/Physically Handicapped (PH) be 65% (64.5 % and above). In the absence of percentage, the candidate must have secured minimum cumulative grade point average (CGPA) of 7.5 on the scale of 10 or equivalent at Bachelors and Masters whereas for SC/ST/Physically Handicapped (PH) it is 7.0 on the scale of 10. In addition to above, the candidate should have qualified GATE/ NET during the last 5 years.

The candidate should be less than 30 years of age as on date of admission in respective University. However, age relaxation of 5 years would be applicable to candidates belonging to SC/ ST/Women/Physically challenged category. **Last Date of Application Submission is 18th Sep 2022.**

Research Areas

- Internet of Things (IoT)
- Artificial Intelligence
- Big Data, Machine Learning & Data Sciences
- Quantum Computing
- Cyber Security
- Smart Cities, Housing and Transportation
- Block Chain

- Energy Efficiency, Renewable and sustainable Energy
- Augmented Reality (AR)/Virtual Reality (VR)
- Social & Organizational Psychology and Behaviour
- Water purification, conservation and management
- Electronics & Photonics
- Energy Production and Storage
- Public Policy
