IIIT-Delhi is looking for experienced professionals who may want to migrate to academics to share their experience with students.

Title: Assistant Professor of Practice

Excellent opportunity for senior software engineers who want to migrate to Academics.
- ➢ Bored with doing regular programming job? Looking to share your experience with young students?
- ➢ Do you miss the University life?
- ➢ Dual benefit: decent compensation & teaching experience.
- ➢ Are you a creative person and have passion for research?

If so, this may be the right job for you

Essential Qualification & Experience:
- ➢ BTech (MTech or PhD is preferred and is an added qualification) from a premiere institution.
- ➢ Minimum of 05 years experience (3 years for candidates with advanced degree) as software engineer / designer / architect
- ➢ The candidate must have Strong technical skills and possess strong communication skills.
- ➢ Should have conducted some training/teaching programs.

Desirable:
- ➢ Research experience will be an added advantage.

Key Responsibilities:
- ➢ The selected candidate will have to teach 2 courses each semester in subjects like Programming, Object Oriented programming, Web design and programming, Software engineering

Pay and Other Benefits
- ➢ The total compensation will be around Rs.12 Lac per annum, depending on experience. Selected candidate may be permitted to join as part-time PhD student also, and the fee for the program will be waived.

General Information/ Conditions/ Instructions
- ➢ The position will be on contract for up to 3 years and may be extended by another year, if needed.
- ➢ Age limit: The maximum age limit should not be exceeding 40 years on the closing date of the application.
- ➢ Prescribed qualifications are minimum and the mere fact that a candidate possessing the same will not entitle him/her to be called for interview. In this regard the decision of the Institute/ Screening Committee will be final and no request in this regard for reconsideration etc. will be entertained through any means.
- ➢ Shortlisted candidates will be informed for written test/ interviews through e-mails only.

- The Institute reserves the right to restrict the number of candidates for written test/interview to a reasonable limit, on the basis of qualification and experience.
- The Institute also reserves the right of rejecting any or all the applications without assigning any reasons thereof.
- Eligibility of a candidate to the post will not automatically mean that he/she will be shortlisted and called for interview. No request in this regard will be entertained for review etc.
- Qualifications/experience, age may be relaxed for exceptional candidates.
- The candidates may be considered for higher/lower grade/ scale depending upon their profile.
- The Institute observes working 5 days a week and National Holidays as followed by the Institute on the lines of the Govt. of Delhi notification.
- Number of positions may be increased or decreased depending upon the requirements
- The selected candidates will be expected to join within one month from the offer of appointment.
- A person working in Govt. Organization/ Autonomous Bodies/ PSUs etc. will be required to produce the No Objection Certificate before the interview or should send his/ her application through proper channel also.

How to Apply:
- Candidates shall apply online on: www.iiitd.ac.in.
- Deadline for submitting application is 15th May 2018 by 5 PM. Incomplete application or if received after closing date will be summarily rejected.
- Selected candidates are expected to join in July or Dec.
