

IIIT Delhi Hosts India – Korea Collaboration on 27th& 28th March 2017

29 March 2017, New Delhi: Indraprastha Institute of Information Technology hosted the India-Korea Business collaboration -“A step towards the business collaboration between India and Korea, the countries best known for their respective software and hardware skills” at the university campus on 27th and 28th March 2017

The event witnessed 12 Korean companies participants from different verticals like Beauty, Software, Electronics and others like Ava Vision, Clear Lighting, Tech Co. Ltd., Plato, Teletron. The participants showcased their impressive technology, which included Think Touch (a touch table used for education and entertainment), customized LED street lighting, and many others.

The second day was a continuation of the exhibitions. The event was attended by Korean Government representatives, Indian Government representatives, CEOs of twelve Korean companies, Indian company representatives, and students. Several round-table discussions were organized to discuss partnerships and business prospects.

Prof. Dheeraj Sanghi, Dean of Academic Affairs and External Relations of IIITD said “we are extremely honored to host this collaboration again at our institution. I would like to personally thank everyone who was a part of this event. This has been a great experience exchanging thoughts with the delegates presented.”

About IIIT Delhi

Established in 2008, Indraprastha Institute of Information Technology, Delhi (aka. IIIT-Delhi or IIIT-D) was created as a state university by an Act of Delhi Government (The IIIT Delhi Act, 2007) empowering it to do research and development and grant degrees. Since then, the institute has grown from strength to strength to be recognized as one of the most promising young institutions for IT education and research in India.

IIIT-Delhi has been instrumental in shaping well trained Information Technology professionals through its research-focused and industry-oriented programs. Governed by the able leadership of a distinguished Board of Governors and equipped with highly qualified and accomplished faculty members, the institute has, in a short span of time, established a strong research culture, focused research groups, and innovative education programs.

The institute is accredited ‘A’ grade by NAAC (National Assessment and Accreditation Council) and has been accorded 12-B status by the University Grants Commission (UGC).
