

INDIA HIGHER EDUCATION RESEARCH NETWORK (IHERN)

presents...

HIGHER EDUCATION RESEARCH WEBINAR SERIES

“Integrating Research into Undergraduate Teacher Education”

With the policy push to four-year degree with research (FYDR) introduced by NEP 2020, the talk will be organised around two central themes- integrating research in higher education with special reference to initial teacher education, and an empirical study of a project(s) in the BEIEd teacher education degree programme of University of Delhi.

Gunjan Sharma

Gunjan Sharma is Associate Professor at the School of Education Studies, Ambedkar University Delhi, where she is currently officiating as Dean, International Affairs. Her research engages with education policy, teacher education, and questions of social justice.

Jyoti Raina

Jyoti Raina is Professor of Education at Gargi College (University of Delhi). Her research interests include teacher education, educational policy, psychological studies of learning and student-teacher research.
