

MATHEMATICS OPEN HOUSE

Saturday, November 4, 2023

8:00 AM - 6:00 PM

IIIT-Delhi

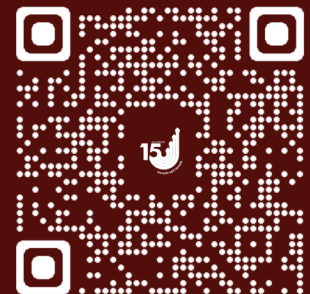

The Department of Mathematics provides for a vibrant environment for research and teaching in Mathematics, and currently consists of 18 Faculty Members and over 25 Ph.D. Students.

The Open House will consist of a Research Showcase of the Department, Talks and Poster Presentations by leading academics, industry researchers and Ph.D. students, a Panel Discussion on Research and Career Options, and Interaction with faculty members.

If you are a student interested in Mathematical Sciences and a career in it, we encourage you to apply to attend our Open House.

Algebra | Algorithms | Cryptography | Graphics | Partial Differential Equations | Mathematical Logic
Number Theory | Statistics | Scientific Computing | Optimization | Geometry
Coding Theory | Machine Learning | Functional Analysis
