In view of the rising COVID-19 cases in the city and some people getting into the IIIT-D Campus buildings without masks, including students, staff, faculty and visitors, this is to reiterate strict adherence to the COVID-19 protocol already stated in several advisories issued on email/website/billboards/banners in the campus. This is to once again convey to the IIIT-D Community that "No Entry will be permitted into the Campus/ Buildings Without Masks,".

All are requested to be more careful with regard to strict compliance and, to Wear the Masks; adherence to Social distancing norms and cooperate with the security in all blocks who would be instructed to check the compliance to the above issues for all those who enter the campus and its buildings.

At the entry gate 1 and 6, hand sanitization and temperature checks will also be strictly enforced and all are once again requested to cooperate in the interest of their own personal as well as others safety and wellbeing.

The cooperation of all members of the IIIT-D community and visitors is sought to maintain IIIT-D as a green zone especially when the cases are rising as we are already facing the Third wave of Covid in Delhi.
