

Travel/Financial Assistance for M.Tech (Research) CSE

The Guidelines for the students of IIT-D are as follows:-

1. The travel assistance can be utilized by M.Tech (Research) students for the following Academic activities:-
 - a. **Travel within India:** For attending a Conference and presenting a paper based on his/her project/research work or attending a short-term or training programme essential for carrying out the proposed research programme.
 - b. **Travel outside India:** For attending a Core A/A* Conference and presenting a paper based on his/her project/research work outside India.
 - c. **Student Activity:** Participating in a student activity such as a paper presentation, model competition, or poster presentation that is not based on any mandatory academic assignment.
 - d. **Travel for Academic Work:** For academic work, such as using an instrument or reference to a library in a different institution or for collecting data as a part of his/her research work.
 - e. **Equipment:** Purchase of a laptop/desktop to facilitate research work.
2. **International Travel (One-Time):** International travel support of **INR 1,00,000/- (maximum)** and **National Travel** support of **INR 50,000/- (maximum)** in the second year will be allowed to M.Tech. (Research) students during his/her entire study programme, which will include all operating expenses, including travel, living, registration fees and other related costs. All other rules and/or norms for travel will be applicable as per institute guidelines. This will be limited to one author for the time being. Further, this will be in addition to any support that may be given by a Centre or a faculty member or any external support and is not tied to support that faculty of PhD students may get for the paper if they are co-authors.
3. **Contingency:** The support of **INR 10,000/- (maximum) per annum** will be allowed to M.Tech (Research) students during his/her entire study programme. A contingency amount can be availed for any of the activities mentioned above and can be combined with individual budget heads mentioned below.
4. **Laptop/Desktop:** One-time support up to **INR 50,000/- (maximum)** is provided towards the purchase of a laptop/desktop. After graduation, this equipment may be purchased by the student at the depreciated book value.
5. **AICTE Scholarship:** The M.Tech research will get a monthly stipend of INR 12400/- from the AICTE.
6. **Additional Scholarship:** In addition to the AICTE scholarship, there is a monthly scholarship of INR 8600/-, which is provided to the M.Tech Research student. *This scholarship is eligible only for the students who are doing TAship.*
7. **Reduction of Fee Cost:** The fee for the program will be as notified by the institute for the academic year.
8. **Conditions:** None of the financial support (in whole or partly) mentioned above can be drawn out as a fellowship/fellowship-top-up.

NB: To avail of the facility of the above-mentioned assistance, the students must apply on the prescribed form available URL: <http://ilitd.ac.in/academics/resources> website. The filled-in forms must be submitted to the Academic Section with the recommendations from their supervisor(s) and Head of the department (HoD) at least one month prior to availing of the assistance.
This is issued with the approval of competent authority,
