THE BRIEF

News from around the campus

- 1 | Scribble Day, Neon Night, Farewell Party
- 2 | Summer Camp inauguration ceremony, Self Growth Sports, IIITD Pitchers

THE BRIEF

The Batch Farewell took place on May 14 and 15, starting with a lively Scribble Day on May 14 in the Lecture Hall Complex. The Farewell Committee provided students with white T-shirts and an array of colored markers. This event was a heartfelt celebration where students wrote and drew their core memories on each other's T-shirts, creating a vibrant tapestry of shared experiences and lasting bonds. It was a perfect kick-off, capturing the spirit of camaraderie and nostalgia that marked the farewell festivities.

Following the Scribble Day event on May 14, which lasted from 6 PM to 8 PM, the Cultural Council's Neon Night, in collaboration with the Farewell Team, took over. The event was set up in the sports ground, illuminated with blacklights. Students received neon glowing sticks, glasses, and glow-in-the-dark face paint. The white T-shirts from Scribble Day glowed under the blacklights, and students enthusiastically painted over their shirts and faces while dancing to the DJ. The vibrant atmosphere was complemented by delicious food served to all attendees, making it a memorable night of celebration and fun.

The farewell party took place on May 15, with boys dressed in suits and girls in sarees. Held at 8 PM on the sports ground, the evening featured a DJ and a variety of food. Students danced to the music, cherishing their final moments on campus. The event was a blend of joy and nostalgia, as friends celebrated together while facing the bittersweet reality of college ending. The night concluded with a few teary eyes, marking the end of an unforgettable chapter in their lives.

IIIT-Delhi inaugurates its Summer Camp 2024 on May 27th with Mr. Anand Kumar, Founder of Super 30, as the Chief Guest and Keynote Speaker. Organized by IIIT-Delhi students, the camp blends education and entertainment for government school students. Running from May 27 to June 22, 2024, it aims to foster learning, exploration, and fun, boosting confidence, aspirations, and skills. Through engaging activities and workshops, the camp instills curiosity and a love for learning, helping students grow into well-rounded individuals ready for future challenges.

The Self Growth program, conducted by the Sports Council from January to May, featured six exciting sports: Badminton, Table Tennis, Lawn Tennis, Yoga, Football, and Taekwondo. With over 70 participants, coordinators and coaches guided them, promoting both physical fitness and mental well-being. Outstanding performers received Excellence Awards. The program concluded on a high note with a memorable closing ceremony. Now in its fourth semester, the Self Growth initiative continues to foster student growth and maintain good health, ensuring a bright and active future for all participants.

E-Cell organized the IIITD Pitchers event series, a launchpad for aspiring entrepreneurs. Over three weeks, student innovators presented groundbreaking startup ideas, igniting creativity and collaboration. Week 1 featured pitches like Hardware Chacha, revolutionizing customer segmentation, and E-Mitra, improving service accessibility in underserved markets. The enthusiasm and innovative ideas set a vibrant tone, with lively discussions and new perspectives. Week 2 introduced ventures like Zoopp's driver service app and Swift Billing's RFID system, inspiring attendees with their progress. Week 3 showcased Dot Store, Heydo Tech, and Gigtern, exploring automation and technology. The presence of mentors and the supportive community helped transform ideas into viable ventures, underscoring the success of IIITD Pitchers in nurturing the entrepreneurial spirit.
