

INDRAPRASTHA INSTITUTE OF INFORMATION TECHNOLOGY DELHI
(A State University established by Govt. of NCT of Delhi)

Announcement for an opening: Post Doc position under the AOC TESTBED project.

Project Overview

At AOC Testbed, we are dedicated to advancing the field of optical communication through innovative research and development. We enable technologies for capacity scaling from Gbps towards Pbps, with provision of a modular testbed with field installations to support > 1 Tbps with a pathway to 1 Pbps. We promote indigenous development – devices, sub-systems and networks for the testbed, compliant to standards, ready to market.
