**About IIIT-Delhi**

It was created as a State University by an act of Delhi Government (The IIIT Delhi Act, 2007) empowering it to do research and development, and grant degrees. In a relatively short time, it has earned an excellent reputation in India and abroad for being a center of quality education and research in IT and interdisciplinary areas. Established in 2008, the Institute has grown to be recognized as one of the most promising young institutions for education and research in India. The Institute is accredited 'A' grade by NAAC (National Assessment and Accreditation Council) and has been accorded 12-B status by the University Grants Commission (UGC). In recognition of its performance, QS University Ranking has ranked IIIT-Delhi 48 (in QS Ranking India) and 192 (in BRICS region) in 2019 ranking. NIRF also ranked IIIT-Delhi at number 55 this year.
